

## **PLANNING PERMIT 116/06 – HOURS OF OPERATION**

### **ADDENDUM 3 TO COUNCIL'S SUBMISSION 12<sup>th</sup> JUNE 2007**

---

**Issue:**

1. During presentation of Council's submission, Council was asked to give further consideration to a Planning Permit condition related to hours of operation.
  2. Again, understanding the way in which the community functions, it is unlikely that 24-hour, unrestricted operating hours would be demanded.
  3. On this basis and having considered the hours of operation of the nearby Safeway supermarket, which operates 7.00 am to midnight, 7 days per week, Council is requesting the inclusion of a condition which reflects these same operating hours.
